

Send Enos Home Medical your CPAP, Oxygen, CGM (Dexcom, FreeStyle Libre) and any other durable medical equipment orders. We'll take care of the rest

Enos Home Medical & Tomorrow Health ensure your patients receive the right equipment at home - fast, efficiently, and with full transparency from referral to delivery.

Why send an order to Enos Home Medical using the Tomorrow Health platform?

- ✓ **Clinical guidance:** Built-in clinical rules guide you through the process — even if you're missing details, we help fill the gaps.
- ✓ **Free to use:** No cost to use, with tech support available whenever you need help.
- ✓ **Simple and seamless:** Submit an order in minutes and get back to your day — we handle the follow-up.
- ✓ **Worry-free compliance:** HIPAA compliant, no contract, no IT setup — onboard in minutes with zero hassle.
- ✓ **Direct communication:** Use in-platform chat to connect with Enos instantly and get quicker answers.
- ✓ **Dedicated support:** Get help from both Enos and Tomorrow Health — just a call or email away.
- ✓ **Real-time order tracking:** Live updates keep you informed so you're never left wondering.

Great! To finish the order, answer a few clinical questions about your patient.

Tomorrow Health keeps track of payer requirements so you don't have to; answer the following questions to help your patient get what they need.

Select your patient's relevant diagnosis: (Required)
Please select all that apply.

- ☐ Severe COPD (J44.9)
- ☒ Obstructive Sleep Apnea (G47.33)
- ☐ Central Sleep Apnea (G47.31)
- ☐ Complex Sleep Apnea (G47.37)
- ☐ Other Disorders of Lung (J98.4)
- ☐ Sleep-related Hypoventilation (G47.36)
- ☐ Other

☒ Patient's diagnosis meets the CMS guidelines for PAP therapy.
