

Area Expansion

Enos Home Medical is excited to announce the acquisition of Eastern Pulmonary Services in Salem, MA.

This will allow us to better serve the Boston & North Shore markets, and bring our ONE CALL services to clients in need.

WHY IT MATTERS TO YOU:

- Our additional location will now allow us to better serve you with faster turnaround, and to continue our tradition of exceptional customer service.
- Medicare Needs – we will now be servicing all oxygen services for Medicare patients in the Boston & North Shore areas.

Family owned & operated since 1950
